BRANDY

3 ANNI

Three-year-old brandy, with a golden color, a rich bouquet of spicy and dried fruit tones. In the mouth, it's elegant and warm, with a persistent and clean aftertaste.

THE RAW MATERIAL

Wines from the Val di Susa with a low alcoholic content and high acidity.

DISTILLATION AND PRODUCTION

The brandy is left to rest in big Slavonian oak barrels.

TASTING NOTES

It initially has dried fruit notes, then it shifts towards gently spicy notes, coming from the rest in big Slavonian oak barrels. Intense, austere and elegant, it's a basic distillate which reaffirms, also to the palate, the mix between the freshness of wine and the tannin in the wood.
Color: intense golden color.
To the nose: intense, elegantly tannic.
