GRAPPA DI NEBBIOLO DA

BARBARESCO

DISTILLED IN SMALL
COPPER BOILERS

WHITE AND YOUNG GRAPPA, OBTAINED FROM NEBBIOLO DA BARBARESCO GRAPES.

With a clear and crystalline color, it immediately expresses all the elegance of its vineyard of origin. To the nose, it's rotund and ample, with floral scents and notes of red berries; to the mouth, it's soft, clean and fine, with an explosive sensation at the center of the mouth, which precedes an elegant and persistent ending.

TEH RAW MATERIAL

Pomace of Nebbiolo da Barbaresco grapes.

DISTILLATION AND PRODUCTION

Discontinuous distillation in small copper boilers and demethylation with double column. Ageing in steel and bottle.

TASTING NOTES

Grappa with an intense aroma, typical of the Nebbiolo vineyard. It is dry to the palate, however it's pleasant and clean.
Colour: clean, clear, crystalline.
To the nose: rotund, with balsamic notes.
To the palate: wide, persistent and elegant.
